- If our pet requires admitting/hospitalisation we would like to collect our pet and transfer them to Natterjacks as soon as they are open for ongoing treatment. Please keep us informed of progress and likely timescales.
- At the discretion of the treating vet we would prefer all non-urgent surgery or further investigations to be carried out at Natterjacks.
- Please can details of all treatment (including any x-rays or blood test results) be emailed to Natterjacks at hellobournemouth@natterjacksvet.com or hellopoole@natterjacksvet.com and a printed copy of the clinical notes supplied to us upon collection.
- Please do not use our details for further unsolicited contact or marketing purposes.

Thank you for helping our pet!
